Finish Products

At Taha Impex, we don't just supply machinery — we manufacture a wide range of finished elastic products tailored for diverse textile applications. Produced under our in-house brands **SAITEX**, **SGLTEX** and **SAI GLOBAL LACE**, our products are known for consistency, stretch performance, and lasting durability.

✂ Knitted Elastic

Soft, stretchable, and ideal for undergarments, sportswear, and face masks.

✂ Woven Elastic

Tight, firm grip — perfect for waistbands, belts, and garment support.

✂ Braided Elastic & Cords

Round and flat braided styles used in laces, surgical bands, and DIY craftwear.

✂ Bed Sheet Elastic

Durable, washable, and designed for tight fit across various home linen products.

✂ Fancy Lace & Decorative Trim

Elegant patterns for sarees, ethnic wear, and premium fashion accessories.
